Customer Reviews

Beautiful calendar with good quality which I was glad to see because I gave it as a gift and the receiver LOVED it! Stunning photos, adequate room to write important stuff on the calendar, for those who still do, and dates easy to read from afar. Holidays included.

A Christmas gift for my mother who lives in Colorado. She gives it two thumbs up for beautiful pictures and room to write her many events on. She's an 82 year old major hiker, fourteeners, couple of times a week, ten miles. So she appreciates the pictures.

Amazing pictures.Love the calendar.

Love Colorado and I love the Photos
