Customer Reviews

I bought this for my little brother. He is 6 and loves to keep track of the days. He calls himself a firefighter so I think this will be perfect! It is a large calendar with a ton of very colorful pictures. I would recommend this calendar to anyone looking to buy for a firefighter or a firefighter at heart!

Beautiful pictures. Real fire scenes. BIG calendar. The first 4 months though are one page. Which is fine by me but not exactly a 16 month calendar.

I didn't expect to like this calendar as much as I do. Many beautiful photographs in this calendar. I highly recommend it to all who enjoy fire apparatus and fire incidents!

A beautifully crafted calendar with some amazing photos of Firefighters and equipment in action!

This is an annual purchase for the Fire Chief in our family. Great item for the firefighter.

Spectacular pictures as usual with cogent explanations of what is going on.

it was received with great surprise to whom it was given
