50 Things You Should Know About American Presidents

Synopsis

Everything you should know about US presidents is broken down into 50 bite-sized chunks. Every president is covered, from the first person to take office, George Washington, to the current US president, Barack Obama. Fascinating facts are included on each page, for example, did you know that Franklin D Roosevelt is the longest serving president? Details are included on the US political system, clearly indicating the changes that have occurred from the beginnings in the 18th century to its current state.

Customer Reviews

This is a great reference book for elementary school aged kids. Highlights of each President's term are outlined along with details on the historical period and fast facts. The book features colorful photos and kid-friendly copy.

My first grader is having her questions answered with this book. With the political campaigns going on she has many questions about our government, the political parties and such and this book has quick information about the presidents as well as the government and historical events in it. They are quick and informative without being too much for her. We are really enjoying it and recommend it. Disclosure: I was sent a copy of this book to review on my blog.
