Henry And Mudge First Book

Synopsis

The first book in the acclaimed Ready-to-Read series from Newbery Medalist Cynthia Rylant featuring Henry and his lovable 180-pound dog, Mudge. Henry, feeling lonely on a street without any other children, finds companionship and love in a big dog named Mudge.

Age Range: 5 - 7 years

Grade Level: Kindergarten - 2

Customer Reviews

As of this writing, there are some 20+ Henry & Mug books, each one a small masterpiece. However, this is the one that started it all!!! Everything great or small has its beginning, and in the beginning of THIS book, which begins, in turn, the whole series, we meet our hero, Henry. Henry lives with mom and dad, but he really doesn't have any friends. No other children live on his block, he doesn't have any brothers or sisters. So, he asks for a dog. That dog is Mudge who swiftly goes from a teeny, handful-sized puppy to the 180-pound pooch we know and love through the rest of the series. What makes H&M books so wonderful are the bright, simple illustrations that mirror the text and the easy realism of Mudge the dog. Unlike other fictional dogs, Mudge doesn't talk, walk about on his hind legs or save the universe: he is just a big, happy, loving pooch who, like dogs everywhere, is totally dedicated to his pal, Henry. He's like a real dog... a real BIG dog, but a real dog nonetheless. He falls asleep when he's bored, he follows Henry everywhere and is unhappy when Henry's not

around, and occasionally he eats things he's not supposed to. Practically any child would love to have a companion like Mudge. H&M are one of those rare types of books that easily fall between two categories: picture books and chapter books. They're well illustrated and the text is simple and easy to read, but the story is also divided up into chapters (usually three). This makes these books perfect for young readers who may feel that they are starting to move beyond picture books but may not be ready for full-blown chapter books with little or no illustrations.
