Mandy And Pandy Play "Let's Count" (English And Mandarin Chinese Edition)

Synopsis

Mandy and Pandey walk through the neighborhood and count various fun things they observe. The included audio CD is very catchy and helps kids and parents pronounce and remember Chinese. The book teaches your kids Chinese in a fun and easy way, as you and your child listen to and read this stimulating story about Mandy and Pandey playing "Let's Count" in the neighborhood.

Customer Reviews

I purchased this book for my granddaughter. Her maternal grandparents are Chinese and can not read English. This book made it possible for her Grandfather to read to her. At first he just read the Chinese story. As my granddaughter got older she began to read the English words to him. I often read the book to her when she was little and now read it to her younger sister. This would be a great book for anyone with a child adopted from China or who has Chinese family members.

We love all the Mandy and Pandey books. But this one has a strange setup. The rhythmic reading style works for the Mandarin version, but not the English version. I feel like they should've matched the English to the Chinese then it would've worked better. So, I just skip the CD and read it the way I think would've worked better.
