Customer Reviews

Bought as a gift but returned it because when you open it, the months are all shown sideways rather than upright. So in order to use it, you have to turn it around to read and write in it. It's cumbersome and silly. If the months were displayed upright like a book, this would have been a great stocking stuffer. Bummer. :(

They changed the format from portrait to landscape and the page background is not white. I do not like the changes and will not purchase again.

I love this 2-year pocket calendar for myself and as a small gift for an acquaintance. Maxine is such a character. She livens up my days.
