## Customer Reviews

The trivia is great for young baseball fans. Only problem is that the answers should be on the back. The answers are upside down on the front of the page along with the question. It would be more fun if the answers weren't in your face.

My wife bought this Baseball Trivia calendar for me for Christmas. As a six-decades baseball fan, I'm always in the market for increasing my knowledge of the game. And this calendar is a great way to do it on a daily basis. The daily trivia questions are anything but easy. I've always considered myself as pretty knowledgeable when it comes to Major League baseball history, but I find that as often as not I don't get the answers right. Of course, I suppose I could go online and find out the answers to some of them, but that would be cheating. This is a great calendar to give as a gift to any ardent baseball fan.

Bought this for my brother for this upcoming Christmas, he's a huge baseball buff and Cubs fan. Due to recent events with the Cubs I hope this distracts him from sharp objects for awhile.

I buy a baseball calendar for my brother-in-law every Christmas at his request. He is a major baseball fan and enjoys these calendars.
