Policeman's Safety Hints (Little People Shape Books)

Synopsis

The friendly policeman on the cover of this board book has good advice for very young boys and girls. When kids open to the easy-to-understand text and cheerful color illustrations inside, they learn basic safety rules, such as crossing the street at zebra stripes, paying attention to traffic lights, and making sure that theyâ™re safely buckled in when they ride in the car with Mom and Dad. This attractive book takes the shape of the policeman on the cover, when the book is closed it presents a layered, 3D appearance that will appeal to younger children.

Book Information

Age Range: 1 - 3 years

Series: Little People Shape Books

Board book: 12 pages

Publisher: Barron's Educational Series; Brdbk edition (November 1, 2013)

Customer Reviews

This book is so cute. My husband is training to be a police officer and even though he is shy to read to my son he grabbed this out of the box and read it to him! That's worth it to me. The photos online don't do it justice, this book is cute and filled with great tips to keep kids safe.

This book is great for kids. They loved it. The binding isn't as strong as I had hoped, however. I purchased this for as a library check out material.

Police Safety was another book I used for my school project. talked about how police officers are there for our safety and the book is real shaped like a police officer grandson love that to.

This is a cute book, however, in this day and age to constantly apply a specific gender to an

occupation is frustrating, especially when female police officers are pictured in the book.

Useful information for all children.
