Spectrum Applying Fractions, Grade 4 (Spectrum Focus)

Synopsis

A strong home-to-school relationship helps kids see the whole picture when it comes to math, and with Spectrum Focus: Applying Fractions for grade 4, kids can get more practice converting fractions to decimals, adding and subtracting fractions, solving word problems, and more right at home. Packed with introductions, explanations, and comprehensive assessments, the Spectrum Focus series is designed to help every child meet (and exceed) expectations by offering an in-depth learning experience. This standards-based workbook doesn't just prepare them for classroom success; it helps them make real-world connections by applying fractions to everyday scenarios.
