## Customer Reviews

Purchased these for my son and while he is still a little young to actually use them, he does find it entertaining to dump them out and put them back in the box. I just love these vintage inspired flash cards and we have already gotten several compliments on them. The flash cards are larger than I expected, but in a good way. It makes them perfect for little hands to grip, or to be used as wall decor in a nursery or playroom. They are a heavy duty card stock that is hard for little ones to bend and seems like it will wear well. They come in a nice storage box as well which is a bonus. These would make great birthday or baby shower gifts. All in all a great purchase and I would highly recommend.

We hung these cards in our daughter's gender neutral playroom. We get so many compliments every time someone comes to play. I love how the letters, pictures, and words of the animals are on one side of the card. We routinely go through each letter and animal. They are very large and made of heavy card stock for little hands. The antique patina is quite charming on the cards and I would highly recommend them to anyone.

I debated between several of the ABC wall cards before settling on this pack. We are very pleased with them! They have an antique-y air about them, which we like - the animals are all quirky and cute, but not too "cutesy" which is something we were trying to avoid. And they are made of nice, heavy-duty board. We have them hanging alongside the crib for now, but know they will be great for our baby to play with, hands-on, when he is older.

These are PERFECT! They are the cutest and have a truly modern/vintage look to them. The quality is INCREDIBLE and they come in a nice reuseable hard sided storage box. After the baby shower I gave the set to the Mom to be and they are now hanging in the babys room. So great! You would not regret this purchase for the price and fabulous quality.

So pretty. Fantastic as art in kid's playroom. (previously my dining room)Frames from ikea 12x16. Bought two sets of cards to display both sides.
