The Complete Magician: Everything You Need To Put On A Show

Synopsis

Give the gift of magic. The gift of performing a trick that leads to oohs and ahhs. Of learning a new sleight of hand and dazzling your dinner guests. Of adding fun to parties, delighting coworkers, completely bowling over your friends. Combining a book, instructional DVD, five great props, and a sturdy, handsome case to hold it all, The Complete Magician is made for givingâan impressive, all-in-one kit with everything an aspiring magician needs to put on a show. The book is Magic: The Complete CourseââFinally, a book that brings the art of magic into the 21st century!â (Rick Merrill, 2006 World Champion of Magic)âwhich combines expertise, full-color photographs, and step-by-step directions for more than 100 amazing tricks. Each trick is broken down into the Effect, the Secret, the Set-up, and, most important, the Performance, with lessons on what to say, how to direct the audienceâs attention, where to keep your hands, and more. The DVD demonstrates 35 tricks, showing both how to do them and how to perform them convincingly. And the props are classics: four metal 4-inch linking rings, one Svengali Deck, one Paranorma Deck, one MagicâPen-etratingâPen, and one false thumb tip.

Customer Reviews

This is a great beginner's kit for children. My 6 year old son loves it, and the tricks are easy enough for him to do, but there are also plenty that present a challenge for him!

You not only get the original book and CD from Joshua Jay, but you also get a nice selection of

accessories. Everything is first class.

My son loved it. He's only 5 and he really enjoyed the simplicity of the video and instruction. Good job.

I'm a little disappointed that the material presented as new, even though it was only the previous text-book supplemented with a few tricks. The book is good, but it was already when I bought it WITHOUT accessories

This book is almost identical to the 1st book . Had I'd known that I wouldn't have bought this book
