## Customer Reviews

This is a wonderful memory game made of sturdy board and colorful illustrations. My 3 year old son loves it, as would any child who likes vehicles! The size of the pieces are great for little hands.

Overall it is a higher quality than the usual memory game and will be enjoyed for years.

A fun game to play with my 3 year old, but the cards are quite large, so it requires a lot of space to play. Would be nice to have smaller cards in some sort of tray to keep them contained while playing. They tend to go all over, because kids are excitable and spastic when they play.

Our 3 year-old son loves this game and wants to play it every day. It is currently his favorite of the games we have. The cards are big, sturdy, and have wonderfully simple pictures.
