Customer Reviews

I've found this book very helpful in the classroom. Having one game a page makes it easier to read and use, along with the symbols at the top of each page that tell you what age group the game is appropriate for, whether you'll need props or a large space, and about how much time needed to play.

I am an acting teacher who owns her own studio and incorporates body movement into each and every class. I also taught yoga for the first time this summer and found this book to be very helpful. I use many of the exercises in both drama and yoga class and the children ages 4 - 16 loved them. I can't wait to use them in my new classes this Fall.
