Customer Reviews

I read this book and I loved it! I love the way Froggy's mom calling Froggy and Max: muchkins, puddingheads; and also their small excuses for going back and forth between their own houses. I think the children will love it too!

Children are sure to relate to Froggy's forgetfulness, impatience, and fears. His adventures are wonderful. The repetitive text and funny sounds will encourage readers who are sure to be attracted to the hilariously expressive illustrations. I love these books!!!

Our family loves all the books in this series. We started with froggy gets dressed when my daughter was 2 and now she is 6. She was requesting more Froggy books. They are priced so good that we

got her 6 more for her birthday and she loves them all!! Her dad and I enjoy reading them too! Great author and illustrations. Good for new readers too!

A delightful book that my six year old grandson loves to read. Cute illustrations, easy reading for a bed time story.

This book was a xmas gift for my niece who is 5 year old. She loves reading froggy's books so it a good hit.
