World Of Reading: Hulk This Is Hulk

Synopsis

The Marvel Heroes of Reading line of early readers is designed to offer reluctant readers, specifically boys, books that they will want to read by featuring characters they love. The series is broken into three levels that invoke the rigorous training courses their favorite Marvel heroes must engage in to perfect their super powers.

Customer Reviews

HULK FIND THIS BOOK NOT ACCURATE REPRESENTATION OF HULK LIFE. HULK LIFE IS PAIN AND SUFFERING. THIS MAKE HULK LIFE LOOK LIKE FUN. HULK SPENDS MANY LONG NIGHTS WONDERING IF FRIENDS ARE IN DANGER. HULK OFTEN SAD BECAUSE HE MIGHT BE A DANGER TO THE FRIENDS HE IS TRYING TO PROTECT. HULK ALSO SPENDS MUCH TIME ON WHERE TO BUY NEW CLOTHES. IT IS HARD TO FIND CLOTHES FOR HULK AND NOT PUNY BANNER. THIS BOOK DOES NOT TOUCH UPON SERIOUS HULK ISSUES LIKE THESE. IF HULK WERE TO WRITE CHILDREN'S BOOK ABOUT HULK, HULK WOULD SPEND MORE TIME TALKING ABOUT HULK'S EXISTENTIAL CRISES. HULK ASHAMED OF THIS BOOK. HULK'S LAWYER SUGGEST I SUE FOR LIBEL BUT HULK DECIDE TO SHOW MERCY. HULK ONLY WRITE REVIEW INSTEAD. HULK LIKE PICTURES THOUGH. HULK THINK THEY

BRING OUT BEST FEATURES LIKE HULK'S MUSCLES.

My nephew loves Marvel super heroes and loves this book too. I purchased this as a gift for his 4th birthday- and he loves it. My sister called me to tell me that this book was perfect- short, easy to comprehend, and engaging. She can sit down to read it to him before bed and finish it fairly quickly. They both were really excited to get it in the mail.If you have a young super hero in the making - this could be a good book to purchase for them as a bed time story.I am reviewing this children's book in an effort to help other customers by relaying my experience with the product and providing any insight I garnered. Had I not liked this product, I would state so here in my review. I would really appreciate that if you found my review helpful, that you would please indicate so below by clicking the YES button below.

My grandson is a kindergarten student who has apraxia. He had a lot of speech problems but books like "The World of Reading" has helped him greatly. This is great series for a youth with fondness for Avengers and Justice League figures. After years of playing with the figures it was the perfect entry to the reading.

I buy these books for my nephew and I bought this one for my daughters 1st Birthday and it's one of the few books she will sit through. It's a great little introduction to the the character Hulk. Love it!

My grandson loves the Hulk, yet doesn't usually have patience to sit and listen to a story and becomes disinterested. Not with this book. I've read to him 4 times in one day. The vocabulary makes this a good first reader book for him (4 years old). I will order more Avenger series books because that is his love.

Beautiful illustrations and a great book to start for beginning readers

Encourages reluctant readers

These level one Avengers books are perfect introductory books for preschools. They explain who the super hero is, how they got their power and are a quick, fun, easy read for beginners.
