Building Machines And What They Do

Synopsis

How does a cement truck mix cement? How are garbage trucks emptied? These are just two of the questions curious children are likely to ask about the vehicles they see around them every day. Fortunately, for those of us who don't know everything (or anything!) about such topics, Dereck Radford has assembled an impressive variety of facts about building machines. The brief text and realistically rendered machines operated by bustling animal characters are sure to capture the attention of truck fans everywhere.

Book Information

Paperback: 32 pages

Publisher: Candlewick (June 6, 1994)

Language: English

ISBN-10: 1564023648

ISBN-13: 978-1564023643

Product Dimensions: 8.5 x 0.1 x 10.2 inches

Shipping Weight: 6.4 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 starsÂ Â See all reviewsÂ (1 customer review)

Customer Reviews

Great pictures, simple text. We've taken this book out of the library so often, the library thinks we own it. Well...now we will!
