Customer Reviews

Nice book about a fantastically exciting sport, great closeup photos of riders, but not designed for adults.

Aimed towards children who express an interest in Dirt Track racing. Adults will be disappointed in the content.

Great history, and informative. Whether your new to the sport or never have seen or heard anything about Dirt Track motorcycle racing, the author Ed Youngblood does a great job exploring and relating the history of this original american sport!!

Doesn't cover the territory well
