We Need Honeybees (Creatures We Can't Live Without)

Synopsis

Many people are quick to run from bees or swat them, afraid they'll sting, but this book will teach readers that honeybees are actually hardworking and beneficial to their ecosystems. Readers will love discovering fun facts about honeybees, including their anatomy, how they live, and what they do to help us. Readers will also learn about the dangers honeybees face and how humans can help them. This high-interest read will hook readers with its color photographs and engaging yet accessible text. A graphic organizer and Creature Clue fact boxes will deepen the readers understanding of the topic.
