When I Get Older: The Story Behind "Wavin' Flag"

Synopsis

Wavin' Flag has become an international anthem. Its powerful words of hope have crossed generations and borders, and have made K'NAAN an international star. In his first book for children, *When I Get Older*, Somali-Canadian poet, rapper, singer, and songwriter K'NAAN tells his own story. Born in Somalia, he grew up in Mogadishu. His grandfather was a renowned poet who passed on his love of words to his grandson. When the Somali Civil War began in 1991, K'NAAN was just thirteen. His mother made the difficult decision to move her family so that they could grow up in safety. First in New York and then in Toronto, K'NAAN faced many challenges. Like so many other immigrants, he had to make a place for himself in a world of alien customs, clothes, and language. His road was a hard one: he lost many friends to violence. But K'NAAN's love of music, and his enormous talent, became a way for him to connect with his past, with his classmates, and eventually, to millions of people around the world. Not only does K'NAAN tell a story that will inspire and encourage young readers, but he provides a brief history of the Somali conflict. The lyrics of Wavin' Flag are also included. Born Keinan Abdi Warsame, K'NAAN first came to prominence when he performed a spoken word piece before the United Nations High Commissioner for Refugees in 1999. A member of the audience, the singer Youssou N'Dour, was so impressed that he asked K'NAAN to take part in an album and to tour with him. Since then, K'NAAN has performed in more than 86 countries and has received many honors, including three Juno Awards and the BBC Radio 3 Award for World Music. During the Vancouver Olympics, he worked with other Canadian musicians and artists under the name Young Artists for Haiti to produce a charity version of Wavin' Flag. The song was adapted again to become the FIFA World Cup theme song. There are now twenty-two versions of the song, which hit #1 in nineteen countries.

This was a great book to read to my 2nd graders. They love the song and the story behind it.

Bought this for my library to support our Somali kids culturally. It's a beautiful book. Elementary School Librarian

Can't wait to read this book with my students!

Just read this book while waiting on my family in Chapters (CND biggest book store) and I like this song and all that's behind it. But inside cover of this book there are flags and one flag particularly - second from the bottom right corner - well that is Yugoslavian flag and that country does not exist anymore, and if country cease to exist so does its flag. I'm seeing lots of misrepresentation in media about former Yugoslav republics (for the most part Serbia and Croatia) and I'm sorry but this bothers me. No one would like if Canada or any other country is misrepresented with a wrong flag, misspelled names, incorrect history facts and so on. In this day of age where information is at your fingertips, why not do the research? And if still unsure than why put this in your publication?
