Customer Reviews

The quilts featured in the 2011 Award Winning Quilts are very detailed and unusual. Most are what I think of as Art Quilts and they show such things as a butterfly with autumn leaves, a girl running, a Christmas Night scene and a bridge with autumn foliage. The size, name of the quilt maker and which award it won plus a two to three paragraph blurb about each quilt can be found on the first two pages of this calendar. Thereafter, each month shows one of the quilts in a full page on the top and a full page for the calendar on the bottom. The dates are in the middle of each square so you have to write around the number if you want to use it as a place to keep track of your family's activities.

Pure eye candy. These 12 quilts are definitely not the kind of quilt that you would put on a bed. They are truly works of art, featuring many different quilting techniques. Pure inspiration with a new quilt to view each month. The calendar has nice big blocks to keep all your appointments straight, leaving you time to quilt.
