Origami 2004 Desk Calendar

Synopsis

The collector-quality artwork featured on each weekly spread of this calendar is from an amazing exhibit that San Diego's Mingei Museum is staging in fall 2003. The cover image of an origami dragon is deeply embossed and tactile. A bound-in plastic pouch inside the calendar holds 24 sheets of origami paper and a booklet containing 12 origami patterns. Hidden spiral binding allows the calendar to lie flat.

Book Information

Series: Desk

Calendar

Publisher: Andrews McMeel Publishing; Des edition (July 1, 2003)

Language: English

ISBN-10: 0740737988

ISBN-13: 978-0740737985

Customer Reviews

This desk calendar features: Embossed Cover Durable Hard Cover Hidden Spiral Binding A Booklet of Origami Patterns Origami Paper Beautiful photos of origami art from the Origami Masterworks exhibition at the Mingei International Museum. One photo for each calendar week. While there are origami patterns included with the calendar, they are not for the models pictured. They are for simple traditional models and are appropriate for the beginner. As a way of learning origami, this is not a good choice. But as an attractive desk calendar this is a beautiful and well designed item.

The calendar has wonderful photos of origami art. If you're buying for the art, you're in luck, If you're buying for patterns to the art, you're out of luck.

This calendar is absolutely beautiful. The only thing I would have liked it to include is the lunar cycles and possibly daylight savings dates. It's easy to look those up on the net but then I had to go

back through and write them in.
