Cinders (Horse Diaries Special Edition)

Synopsis

In this Dog Diaries “meets” Horse Diaries Special Crossover Edition, a horse with a bad reputation meets his match in a no-nonsense fire dog and the biggest, hottest flames Chicago has ever seen! In the 1800s, firefighters needed horses to pull the fire trucks. But horses spook easily and run away from fire so they needed fire dogs. Cinders is a dappled gray horse with a bad reputation. When he first arrives at the firehouse, he refuses to even enter his stall. But a kind man, his daughter, and a smart dalmatian named Sparky convince him he’s made to be a firehouse horse. Will he learn to brave the flames in time to stand up to the biggest, fiercest, most frightening fire the city has ever faced? Get the dog’s side of the story! Read Dog Diaries Special Edition: Sparky.

The story in this book intertwines with the story in Dog Diaries, titled Sparky. My daughter liked that, she received both books and read them quickly, she’s got both series and was waiting for these new books.

My daughter LOVES this entire series. Great, fun to read, and they actually learn some history!
