Customer Reviews

I am a preschool teacher and this book is awesome. My 3 1/2 year old son loved this book and always wants to do his school. There are so many fun activities and stickers for each letter that kids see it more as fun than strictly school book.

I love love this activity book. It's great for a large age group. I purchased 10 to have over the summer and I have three daughters, ages 2-6. I even sent one to my daughter's prekindergarten class. It's perfect!

Great book, came little bit damaged, almost like it got wet.... Still able to use it

Cute and well done. Perfect for my almost 3 year old. Love it!
