Can You Say It, Too? Moo! Moo!

Synopsis

Sturdy flaps and simple texts combine with friendly artwork to make this a fantastic first book for children who are just starting to talk. As all parents know, little children just love to be asked to make animal sounds. So a flap book in which they can spot the animal's tail, lift the flap to reveal the complete creature, and then make its noise is guaranteed to be a winner!

This was a gift for my granddaughter on her birthday. She loves looking at the beautiful illustrations and learning how to imitate farm animal sounds.
