## Customer Reviews

It has nice seasonal pictures of animals, flowers and garden products. Its an interesting calendar with household tips on cooking and cleaning and it has the phases of the moon. I bought it once and now I get it every year.

I love the monthly illustrations, planting wisdom, lunar factoids and other tidbits. It lives on our refrigerator and carries us through the year...This is my 3rd or 4th Farmer's Almanac calendar and I would definitely purchase next year's also.

Always a trusted and useful calendar, the Old Farmer's Almanac Gardening Calendar always pleases! I buy one for myself, along with the Almanac, and I also give them as gifts for all my gardening friends and family. This is a must-have for the gardener, and even for those who like a calendar with beautiful photos.

I received this calendar as a gift last year and was hoping for the same this past Christmas. When I didn't receive one, I ordered from and it was the same high quality, interesting and fun calendar as the one from the book store. I also like the size (8x11). So lucky to have found one so easily!
