Color & Collage Origami Art Kit: [Origami Kit With Book, 98 Papers, 35 Projects]

Synopsis

Make lively scenes out of paper models with this fun children's origami kit. Kids love to make crafts. Whether it's scribbling on a page, putting stickers all over everything or cutting out crazy shapes, kids take supreme pleasure in being crafty. The Color & Collage Origami Art Kit is a unique new origami paper craft product that will teach children to fold, assemble, compose, color and display large collages. They'll have fun folding individual origami models for stand-alone play and as an added bonus being able to arrange these pieces on the included collage backgrounds. All of the folds are designed to be origami-for-kids projects and are a great way to learn origami. None of the projects require paint or tools so just grab some origami paper and start folding right away! The kit contains: A full-colored 64-page booklet Step-by-step instruction Easy-to-follow diagrams 35 fun origami projects 88 sheets of 2-sided origami paper 4 sizes and in a variety of different colors Six, 2-sided collage backgrounds Regardless of skill level, kids will be folding like a pro right out of the gate with The Color & Collage Origami Kit. Origami Projects include: Gingerbread House Starry Sky Playhouse Penguin Picnic Christmas Tree Noah's Ark

Grade Level: Preschool - 2

Customer Reviews

I wanted to find a way to introduce origami to my kids, who are 8, 7, and 4. My oldest has some motor planning issues, and I thought this would be a nice way to help him work on those while doing

something fun. This kit is perfect for younger or special needs origami enthusiasts. Each collage comes with a nice, large background and papers of various sizes to make the individual pieces. Each paper is premarked with numbers and dotted lines to help you know exactly where to fold. The collage style makes doing origami into more of a permanent project, for those of us who would prefer not to have coffee tables and desks cluttered with various origami animals. This is a great product, and if a "sequel" is made, I'll be first in line to buy it!

I haven't open the product yet, so I don't have a true rating. But I wanted to comment on this as I was surprised when I received this product to find that one of the six scenes is a Christmas tree. There is no indication that there is anything religious in this kit on this page. We bought this for a birthday gift for someone who does not celebrate Christmas. I wish they made the religious theme clear on the landing page so people are not surprised upon receiving it.

Nice variety and really cute designs. Easy to learn.
