Creative Kids Complete Photo Guide To Sewing: Family Fun For Everyone - Terrific Technique Instructions - Playful Projects To Build Skills

Synopsis

Are you looking for the perfect guide to teach your child to sew? Look no further! Creative Kids Complete Photo Guide to Sewing starts with the absolute basics about stitching, beginning with simple hand sewing, then gradually introduces skills and techniques until kids are sewing safely and confidently at a sewing machine. Founders of The Sewing Tree, Janith Bergeron and Christine Ecker will guide you and your children through creative and fun sewing projects. With over 200 photos and clear, concise instructions in language easily understood by grade-school kids, you're going to be creating crafty sewing projects with your child in no time! Each project lists the sewing skills that will be exercised in making it and projects are rated for difficulty, so kids can learn and grow as they develop dexterity and coordination. Your children will learn to sew by making simple projects and building skills by practicing the essentials, and this book provides a sound foundation for a lifetime of sewing enjoyment.
