Customer Reviews

I genuinely enjoyed this book. The title of the book (WCW: Ultimate Guide) fits its contents. It includes descriptions on all of the wrestlers in WCW and the weekly shows. On every 1-2 pages there is a biography on wrestler including title histories, finishing moves, famous quotes and statistics. This book is great for WCW fans and also other wrestling fans.

This book was purchased as a gift for my son who had lost his copy in a fire over a year ago. He couldn't believe I was able to replace the book he lost (it was a purchase he made back in 2000) and he was thrilled. I know virtually nothing about WCW, but according to my son, this book is a must have. I love shopping !

This book captures the exciting and compelling nature of professional wrestling through it's stars.

This book contains full color photos of your favorite superstars as well as biographies done by WCW Live host Bob Ryder and 1Wrestling.com's Dave Scherrer. A true guide to World Championship Wrestling, this book is a must for any true wrestling fan! Get all you ever could hope for out of a book, and then some! Very impressed with this item, and highly suggest you check it out.
