Customer Reviews

Maisy is off to Eddie's birthday party but she's going to fly her plane to get there. She also has a very special surprise in store for her friend and Maisy will need her airplane to deliver it. Toddlers love the books in this series because they are about half the size of a regular board book and they feature Maisy using various modes of transportation (train, tractor, etc.) Easy to handle with bright colors that "pop" and attract the child's attention the illustrations here are bound to please and bring a smile to the face of any preschooler who loves this cute, little white mouse! This book goes to my granddaughter because she loves Maisy! Book supplied by publisher.

My granddaughter just love these books. If she's happy, I'm happy!!

cute book, my 9 month old loves it
