Customer Reviews

Purchased for my granddaughter, almost 13. She loves it and can't believe she has a signed photo of her favorite artist! I did have to look for a few to find one where she was dressed appropriately for a 13 year old and this one is perfect. I especially liked that it was sent in a flat cardboard envelope instead of a tube so it was flat. A nice option the seller could add would be an inexpensive frame.

I bought this book to encourage a student (who is a reluctant reader) to read a book cover to cover. Unfortunately, I've seen magazine articles that were longer. The book was much shorter than expected and was not worth the price.

is beautiful girl and great
