Customer Reviews

I use this book for an opinion writing unit in my 5th grade class. The students absolutely LOVE reading about the different animals and making a decision on which animal to choose. The book is entertaining and engaging which leads to some fantastic writing!

My 3rd grade students loved reading this. We read and took notes together and now they're using the notes to write opinion papers. Great resource. I only wish I had more copies. This book has a very long waiting list in my classroom.

Love this book! I used this to do opinion writing in our classroom. My kids LOVE it and are addicted to reading it!

My third grade students loved this book, and I taught mini unit in opinion writing that went really well.
