Customer Reviews

I bought this for my girlfriend for her birthday but she dumped me so now I have Mad Libs and no girlfriend. But it's still pretty cool and cheap so go get it if you are interested

If you don't like to watch Bobs Burgers then you might not have as much fun with these mad libs. We have a super good sense of humor and our sweet family of four like to use this right after dinner. We take turns reading and try to use the funniest words we can think of. We have come up with some pretty darn funny stuff. I recommend these mad libs to anyone who likes to laugh, good family fun.

It's extremely fun! A lot of humor from the show, great for any fan of Bobs Burgers

Already done 2 of these with my wife (purchase was for her) and they're very fun, and follow themes and situations fitting to the Bob's burgers universe.

This was the perfect gift for my boyfriend who loves Bob's Burgers and now I get to enjoy quality time laughing with him, it was a win win!

If you are a Bob's Burger fan, as we are, you are gonna love this book! Just as funny as the show, but with recipes that if you truly want, you can follow and enjoy! Hysterical, but Yummy!

These don't disappoint. They're madlibs, so it takes some skill to make it funny, but these are exceedingly well written and sure to bring joy to any Bob's Burgers fan.

My daughter loves Mad Libs and I love that it gets kids reading and thinking while having too much fun to realize that it's educational. Also Bob's Burgers is great.
