Customer Reviews

Sandra Boynton is my absolute favorite board book author. When I saw that she had a new Halloween book coming out, I knew I HAD to have it. Her books are so fun to read, and this one does not disappoint. As a 28 year old mom to three little girls, there's nothing better than giggling my way through a book.

My infant son loves Boynton books. This one may be a favorite. The graphics are bright, large, clear and multipage. A big step forward from previous Boynton books that he also really enjoys. It's a no brainer.

The Boynton gang is at it again, this time Halloweed style! This book is a classic: fun illustrations, cute dialogue, and zany fun for little ones. My four year old is a huge Boynton fan, and this book is a

blast. The perfect book to get ready for Halloween night!

Another adorable addition to our Sandra Boynton collection! My son enjoyed seeing familiar Boynton critters in costume. I enjoyed him saying "eek" in his sweet toddler voice.

As usual, Sandra Boynton has exceeded our expectations. We love this adorable, witty book about Halloween, our favorite holiday.
