Customer Reviews

I completed the books for my 5 grandchildren. Of all their gifts, it was their favorite..it gave me the opportunity to share many family memories with them and to remind them of how special they are. It took some time but it was worth it when I saw how much they loved reading it and the laughter and some tears came to their and their parents eyes..

This is a great way to lift your child's confidence and remind them how proud you are of them in detail!

Smaller than expected vbut still cute and a wonderful idea. Fits in the palm of your hand.

So fun to fill out and send with your child to camp or college. I bought 2 and did both!

I give these to my children each year as stocking stuffers. Sometimes they can get a little repetitive on the answers but overall a great product

Gave these books to our kids on valentines day. They LOVED them and read them at least twice a week.

Fun to fill in. My 6 year old filled it out for her uncle. He loved the personal touch.
