My daughter is fascinated with history, so I purchased this magazine for her to devour. She loved it, it has so many cool "facts" spread throughout the pages as well. A really fun read, with beautiful colored pictures and print. Very well designed and laid out.

This book really helped me through African-American History month. Easy to read and understand for 1st and 2nd grade students. I read this to my kindergarten class and Rosa Parks is their biggest heroine.

I use these in my Little Free Library and kids seem to really enjoy them. Plus this subject is a crucial

one.

Excellent and appropriate for young readers.

Good book and good story for all children to know.
